

India's Greenest **Circular** Music Festival

2 DAYS • 4 STAGES • 35+ INSTALLATIONS • 200 ACRES

One planet

28,500⁺

people

ONE SHARED COMMITMENT TO MUSIC, ART, AND THE PLANET.

Swipe for the full report

Cited among the world's **benchmark** festivals

Recognised across 28 global events in 14 countries

commended by

A GREENER FUTURE

RECOGNISED AS ASIA'S MOST ENVIRONMENTALLY PROGRESSIVE
AND CIRCULAR MUSIC FESTIVAL.

Built entirely from what already existed

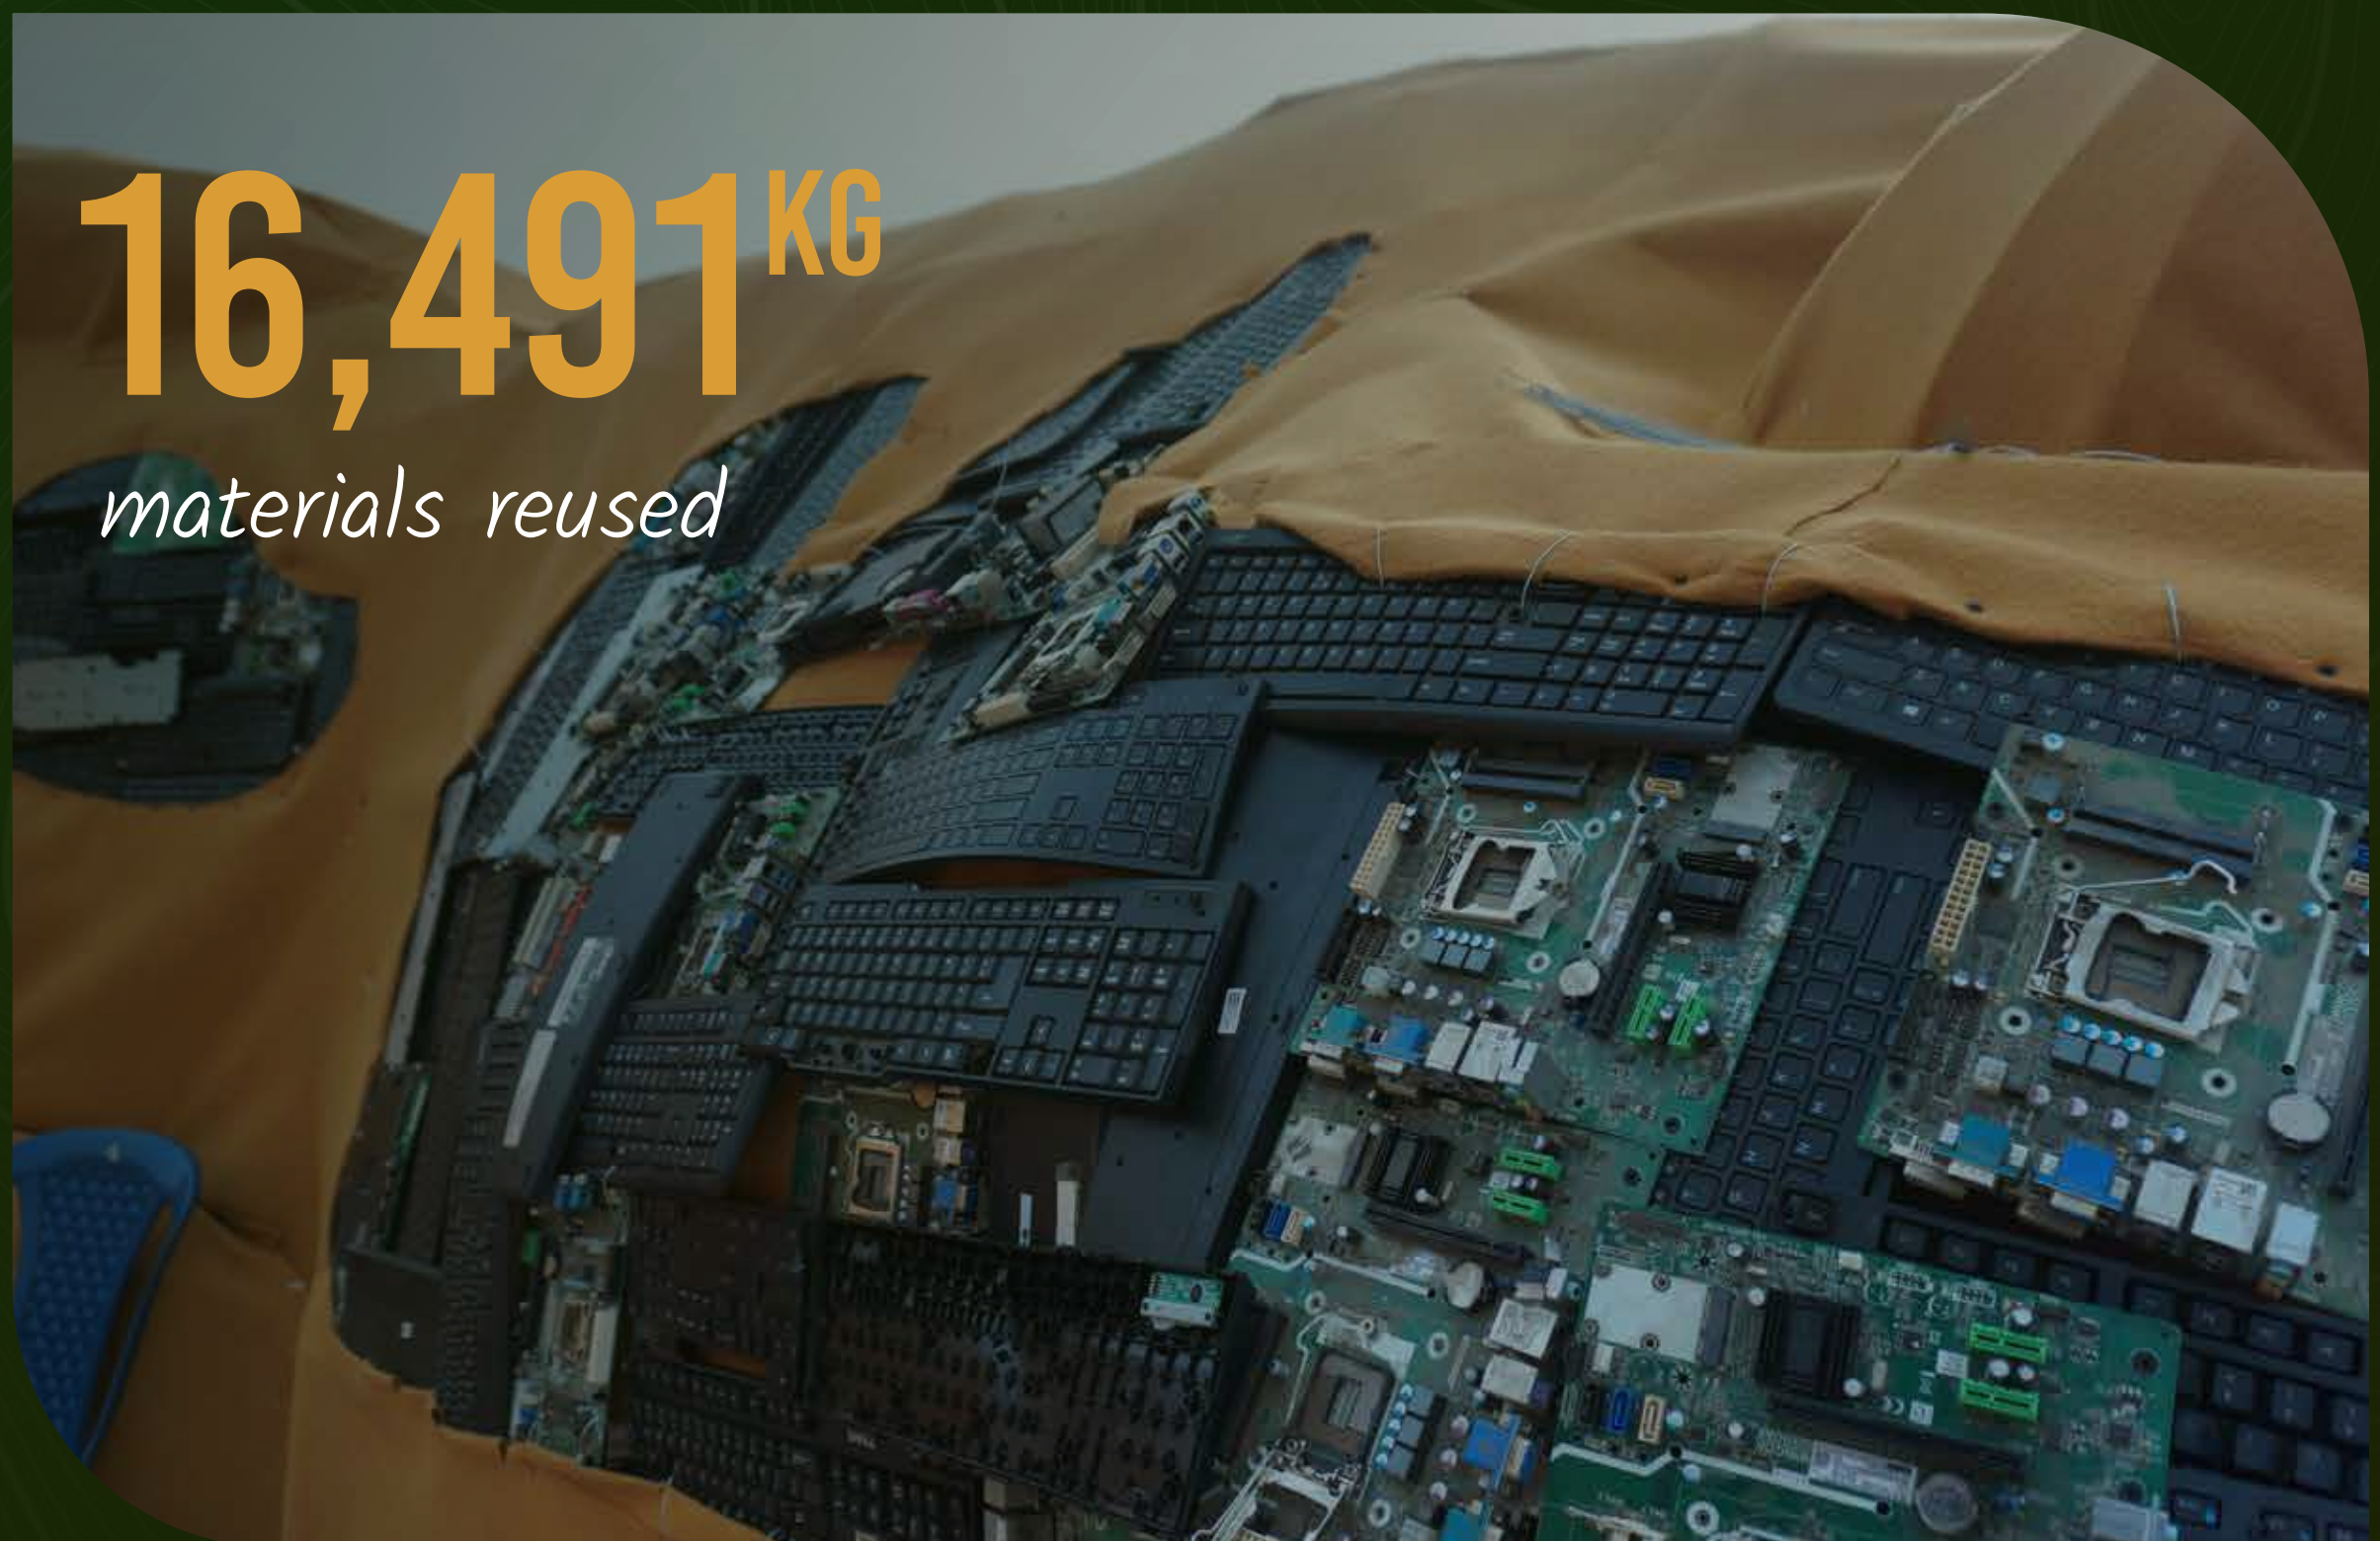

20,500+ KG
of repurposed materials

100% MATERIALS REUSED TO BUILD THE ENTIRE FESTIVAL,
SOURCED ENTIRELY FROM PREVIOUS EDITIONS. NOT A SINGLE
NEW STRUCTURAL MATERIAL WAS ORDERED.

From Waste to **Wonder**

Circularity at the core, art built from what was left behind

ACROSS ALL 4 STAGES AND 35+ INSTALLATIONS. **1,452 KG** OF CROWDSOURCED E-WASTE TRANSFORMED INTO IMAGINATIVE WORKS OF ART.

Zero to landfill. Zero to burn pile. Zero to ocean

0 KG

*landfill
contribution*

17,020 KG PROCESSED THROUGH REUSE, RECYCLING,
AND COMPOSTING. EVERY GRAM ACCOUNTED FOR, AVOIDING
28,641 KG OF CO₂ EMISSIONS

*As verified through our Sustainability Partner Hasiru Dala

Water is free here

Not a single plastic bottle sold.

Free RO water · 10,000 steel tumblers · across 200 acres

6 RO water filters, 10,000 steel tumblers, and free water at every corner, across two days, that added up to 1,05,600 single-use bottles avoided. These tumblers go home with the people who carry them, preventing well beyond what's counted here.

Harnessing **Alternate Energy**

Solar · Electric Vehicles · Compressed Biogas

590 KWH

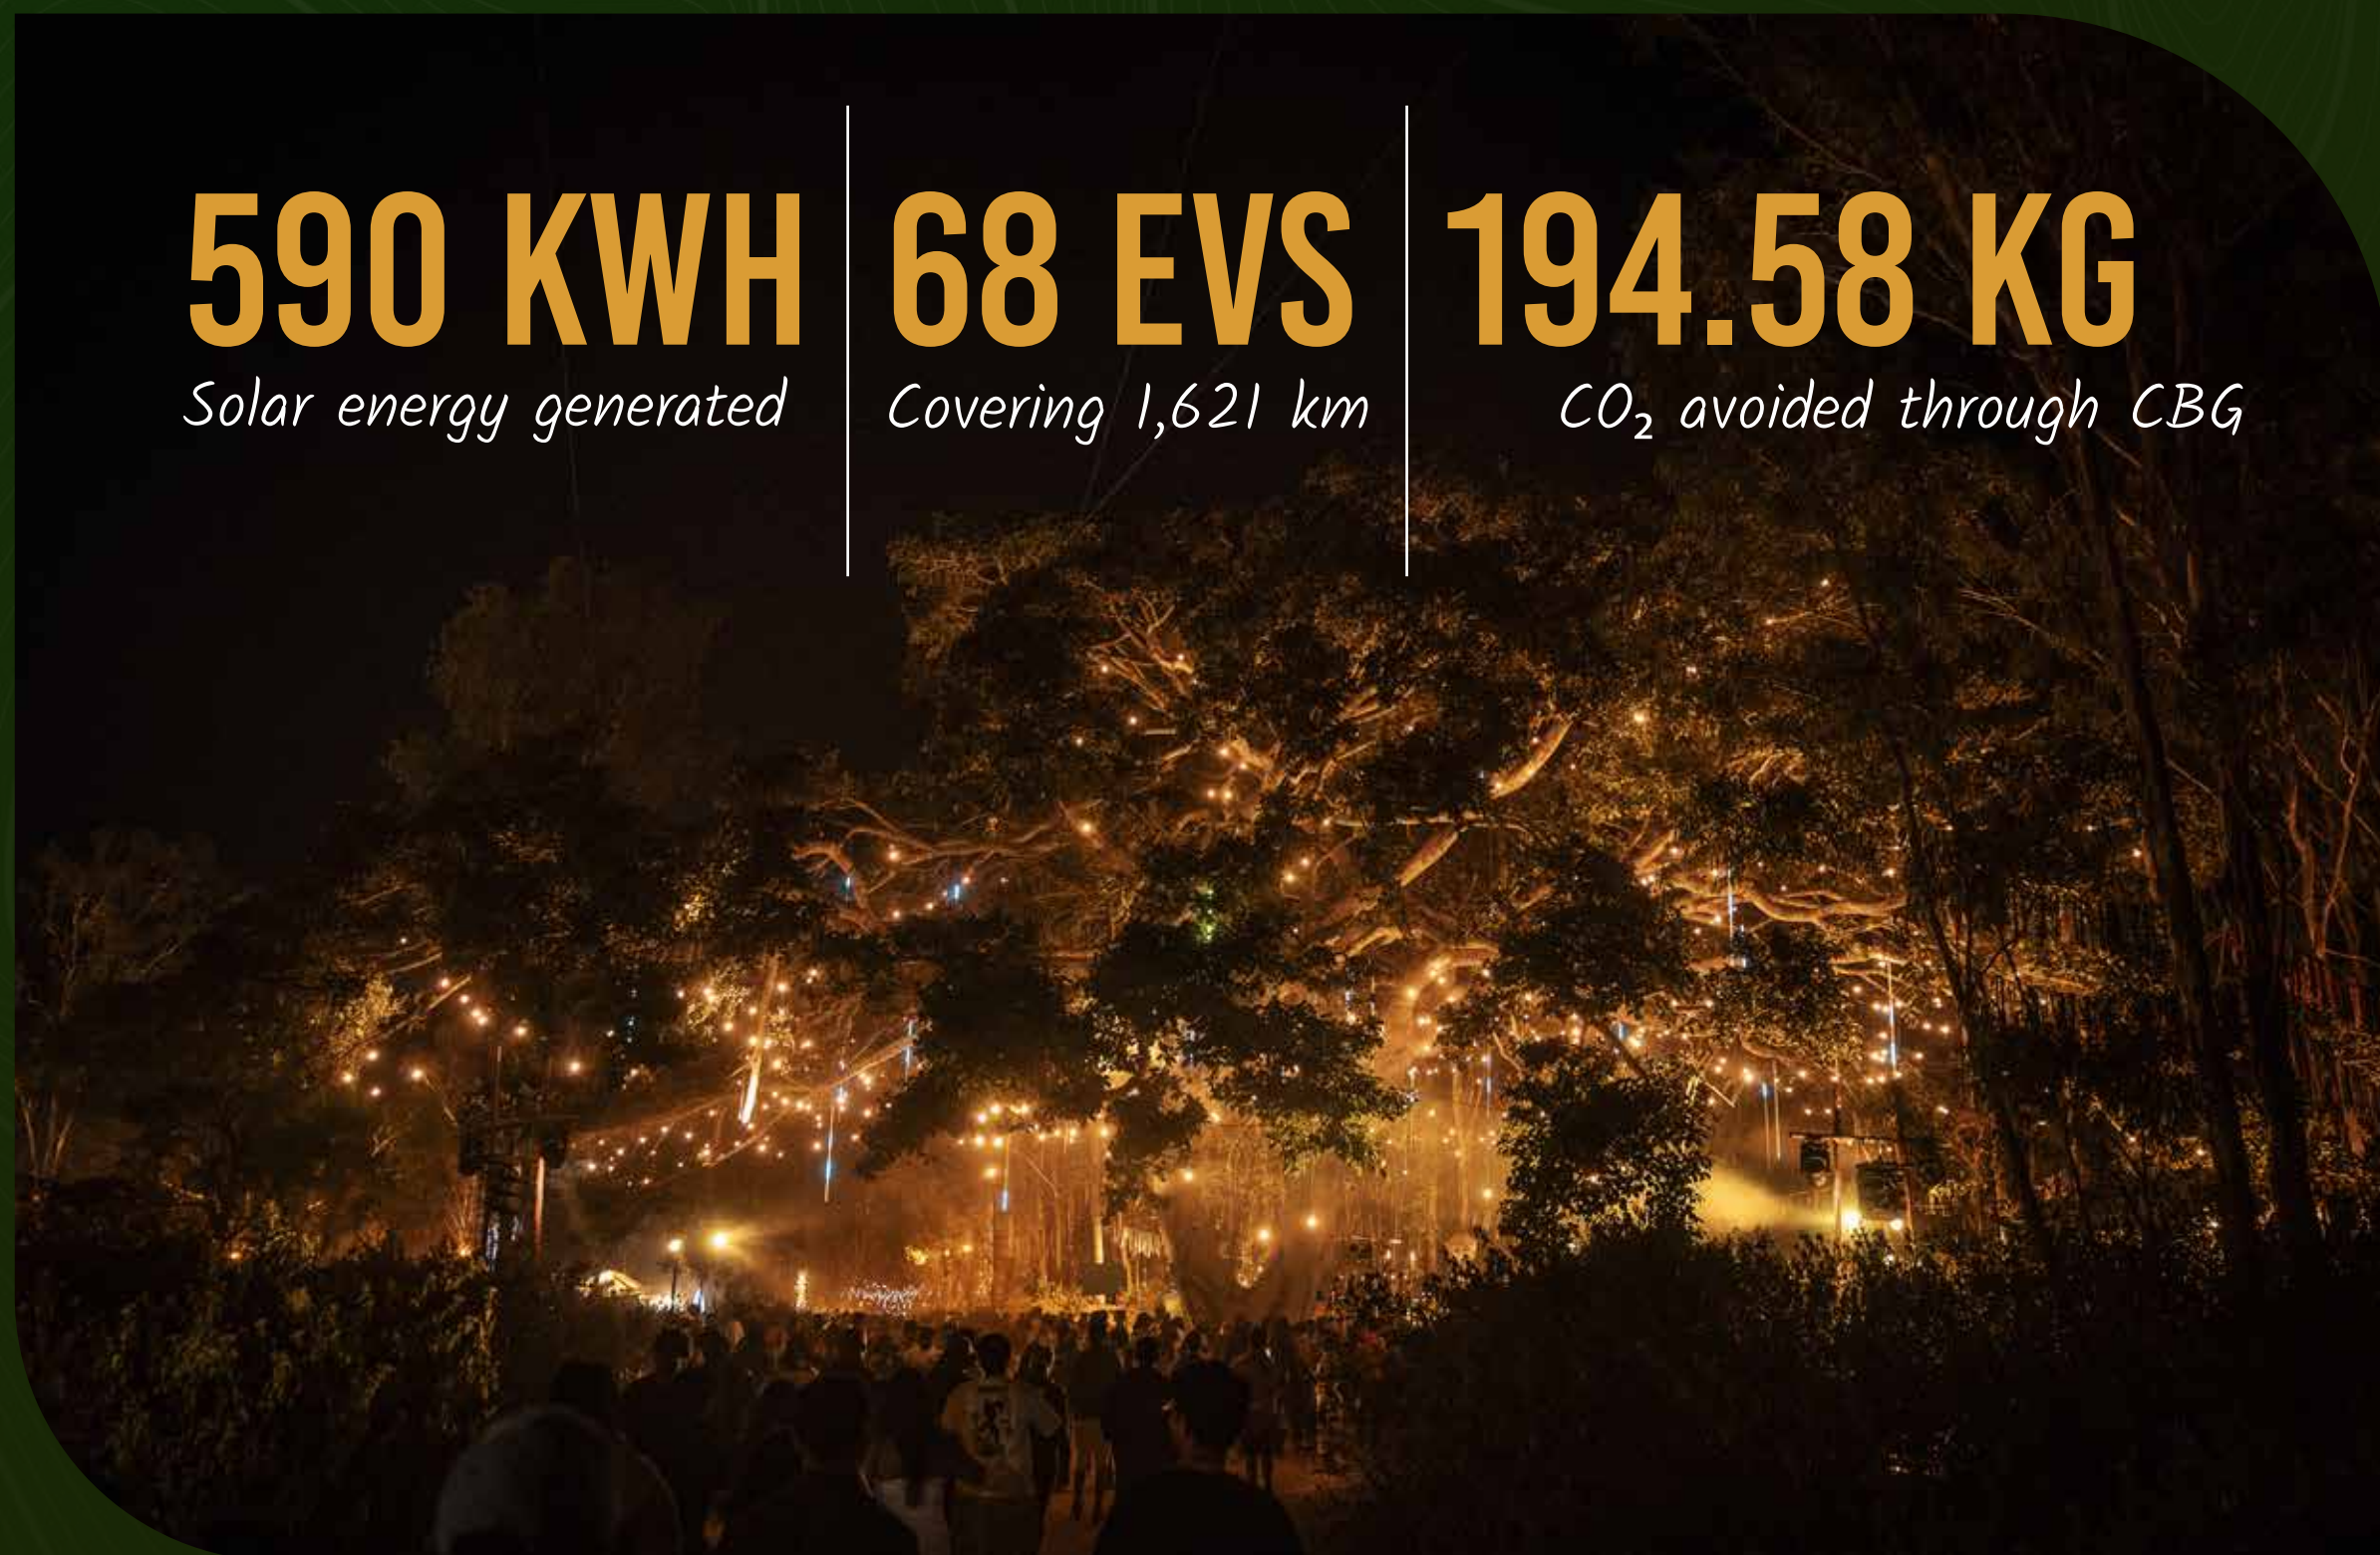

Solar energy generated

68 EVS

Covering 1,621 km

194.58 KG

CO₂ avoided through CBG

100 KW SOLAR, POWERED THE BIG TREE STAGE AND BOX OFFICE. COMPRESSED BIOGAS POWERED THE FOOD STALLS, GENERATING **65.2 KG OF BIO-CNG** FROM THE FESTIVAL'S OWN WET WASTE.

*As verified through our Sustainability Partner Hasiru Dala and Solar Partner EMMVEE

The Greener Side

A year-round initiative connecting communities with nature through music, art, and education

15,000+ PARTICIPANTS ENGAGED ACROSS BENGALURU, MUMBAI, GOA & PUNE. 3 MINICERTS DRAWING 2,500+ ATTENDEES. 55+ COLLABORATIONS WITH CONSERVATIONISTS, EDUCATORS, AND GRASSROOTS ORGANISATIONS.

Impact starts with **people**

and their conscious participation.

40+ ARTISTS · 35+ INSTALLATIONS · 30+ FLEA AND FOOD PARTNERS.
REAL CHANGE GROWS FROM **WITHIN COMMUNITIES.**

The **numbers** that matter

CO ₂ emissions avoided	28,641 KG
-----------------------------------	-----------

Equivalent trees (maintained 10 yrs)	474 TREES
--------------------------------------	-----------

Total waste processed	17,020 KG
-----------------------	-----------

Sent to landfill	0 KG
------------------	------

Plastic bottles prevented	1,05,600
---------------------------	----------

Frontline workers (90% women)	1,200+
-------------------------------	--------

Rise in worker earnings	+33%
-------------------------	------

Nature-led workshops across India	100+
-----------------------------------	------

A working model for **responsible,** circular celebration

See you on the **Greener Side.**
